

NFCC / Vision 20/20 International Symposium

Sponsorship Opportunity

Event Title – NFCC - Vision 20/20 International Symposium on Community Risk Management.

Location – West Midlands Fire Service Conferencing Facility, Birmingham, UK. West Midlands Fire Service will be the host service on behalf of the NFCC and Vision 20/20.

Date – 19th & 20th September 2019

It is evident that the international fire sector has much to learn from one another about good practices in risk management planning. Following engagement with the Vision 20/20 project through the NFCC Community Risk Programme there is an appetite for a modest but important international meeting of key representatives from around the world. The objectives being to:

1. Explore good practice in;
 - emergency operations,
 - fire service based Emergency Medical Services,
 - data collection and analysis for risk assessments and planning,
 - Prevention based activities
 - Protection activities
2. Determine common elements that lead to successful community risk reduction activities.
3. Involve the active partnership of representatives from nations and organizations committed to the concept of Community Risk Reduction.

The symposium will be a partnership between the NFCC and Vision 20/20 in the United States of America. The formative meeting would occur over a two day period in the UK, with the specific agenda being finalized with partners in this endeavour.
